Attorney's Docket No.: 173.937EPRO :  
For: APPARATUS FOR SHOOTING RANGES :

A review of USPTO records has revealed that the Information Disclosure Statement (IDS) filed 13 October 2005 and intended for the present application file was inadvertently placed in an unrelated application file, U.S. Application No. 10/530,434.

It has also been determined that, pursuant to an authorization to charge required fees contained in the IDS submission, \$350 in fees were charged against Deposit Account No. 06-0243 in the unrelated U.S. application.

The \$350 in fees charged against Deposit Account No. 06-0243 in U.S. Application No. 10/530,434 will be refunded to the Deposit Account, and the IDS submission filed 13 October 2005 will be moved into the present application file.
